Bring your Parish Registration form, adult and youth consent forms and the chaperone affidavit forms to turn in once you check in to Godstock. If possible, please put all forms alphabetically in a 1 inch binder. This makes it much easier for the medical staff to access your information if necessary. You will not get these forms back, so please keep a copy for yourself.

IMPORTANT NOTE REGARDING GODSTOCK REGISTRATIONS

We expect this event to sell out early. Reservations cannot be held without payment. Failure to pay timely will result in forfeiture of reservation and any deposit paid. Once reservations have been paid, they will not be refunded however, they may be transferred to another parish.
